**Make it happen****Foreword EHF President****Dear handball friends,**

It is a pleasure for me to welcome all players, officials, partners and fans to the EHF Champions League Women play-offs!

Once again, we were treated to 14 fantastic rounds of nail-biting action in the group phase, in which every team proved just how competitive the top level of women's European club handball is, reinforcing its position as the leading indoor women's sports competition on the continent.

Now, we have reached the knockout phase and the Road to Budapest can truly begin for the 12 teams left in the competition, eight of whom will contest the play-off round.

The final round of the group phase has generated high-level last-minute drama, as CS Rapid Bucuresti snatched the play-off spot from Buducnost in the biggest thriller minutes of this season's group phase. Next to Rapid, former champions HC Podravka Vegeta, Krim Mercator Ljubljana and CSM Bucuresti will compete with Brest Bretagne Handball, HB Ludwigsburg, Storhamar Handball Elite and Odense Håndbold for a place in the quarter-finals.

My congratulations further go to the four teams who have bypassed the play-offs, having already booked their places among the best eight; last season's champions Györi Audi ETO KC, Team Esbjerg, FTC-Rail Cargo Hungaria and the still unbeaten Metz Handball.

The European Handball Federation and EHF Marketing are proud to deliver this showpiece club competition, but none of that would be possible without our brilliant partners, the outstanding players and – of course – you, our terrific fans.

I wish the best of luck to all teams and hope that you enjoy the play-offs of our premium women's club competition.

Yours in sport,

Michael Wiederer
