EHF CHAMPIONS LEAGUE

Foreword EHF President

Dear handball friends,

Two exciting EHF Champions League Women rounds await before the break

The EHF Champions League Women 2026/27 group phase opened with a thrilling start this fall, with its unique 16-team line-up — featuring European powerhouses, past winners and one debutant — already delivering unforgettable clashes across the six rounds played so far. As we reach the halfway point of the group phase, the stakes on Europe's biggest stage are rising, with clubs set to face the same opponents in round 7 and again in the return legs of round 8, before attention shifts fully to the Women's EHF EURO 2026 in December.

Topping group A, FTC-Toyota Kovács are the only club still enjoying a perfect record and aim to keep this streak going. However, the upcoming rounds bring a difficult challenge, as they are set to meet another fiery competitor — Team Esbjerg, who sit second in the group standings and pose a real threat at the top. World-class action is also expected in Brest Bretagne Handball and CSM Bucuresti's duel, an exhilarating replay of the 2025/26 battle for third place.

Sola Håndballklubb are only in their second top-flight campaign, but enter the last rounds of 2026 with great confidence following their stunning victory over CSM Bucuresti, preparing now to meet perennial contenders RK Krim OTP Group Mercator. The group A schedule is completed by BV Borussia Dortmund and OTP Group Buducnost, who remain on the hunt for more points to climb the standings.

Group B is dominated by heavyweights Metz Handball and Györi Audi ETO KC, who have won all games so far except for their mutual clash, which ended in a spectacular draw. The defending champions meet Odense Håndbold next on the elite stage, while the Hungarian side takes on HSG Blomberg-Lippe, who are yet to secure any points in their maiden EHF Champions League season.

The battle for a spot in the knockout stages is intensifying, with Gloria Bistrita leading the pack in third place, while Storhamar Håndball Elite, Odense Håndbold, HC Podravka and Nykøbing Falster Håndbold strive for more points.

The stage is set for two more captivating rounds in the EHF Champions League Women this November, wrapping up the calendar year ahead of the international break.

Yours in sport,

Michael Wiederer
